

School Uniforms

27th January 2016

Here is a list compiled by our administrator who rung around the schools to ask about uniforms – where to get them, whether second hand ones were available and if any financial assistance was available to help purchase uniforms.

Most schools have a few bits and pieces donated back to them.
Assistance is also available from Work and Income.

Uniform Shops

NZ Uniforms, 371 Cameron Rd, Phone: 985 6213.
